

The background of the entire page is a soft-focus photograph of numerous purple flowers, likely Verbena, with green foliage visible behind them. The flowers are in various stages of bloom, creating a textured, natural backdrop.

Friends of Anlaby House Grounds

is a small group of volunteers who meet from time to time at this much-loved public open space to look after and develop it for nature and for the enjoyment of the people who use it as a recreational space. The site is a mix of woodland and a small area of grassland, accessed from Beverley Road.

The Friends regularly litter pick, help maintain the pathways, and plant appropriate species of flowers, shrubs and trees to increase biodiversity on the site and create habitats for wildlife of all kinds.

Thanks to the support of the Parish Council, there are plans to expand these planting activities and also host nature-related events at the Grounds in the future.

If you are interested in joining the group, please contact the Parish Clerk at clerk@anlaby-commonpc.co.uk and your details will be passed to the Friends.

It is a very informal group, and you can commit as much or as little time as you wish.
